

Dear Parents and Guardians

Cardiff West CHS Virtual Open Evening Thursday 15th October 2020

I would like to take this opportunity to offer you a personal invitation to our virtual Open Evening to be launched on Thursday 15th October 2020.

We moved into our superb new building in March 2019 and we are keen for you to see our outstanding facilities. The virtual Open Evening includes a film and specific information about transition from primary to secondary at Cardiff West CHS.

We place a great emphasis on ensuring that our transition programme from Year 6 to 7 is well planned, to meet the needs of your son/daughter.

The deadline for applications is 23rd November 2020.

In addition to the virtual Open Evening, we will be holding online question and answer sessions with each of our partner primary schools. We have also set up an email address for parents to contact the school with any queries about transition. If restrictions are lifted, we hope to be able to welcome Year 6 pupils and parents into the school building later in the academic year.

Information about transition is available on our website at www.cardiffwestchs.cardiff.sch.uk

Please do not hesitate to contact me at school.

Yours sincerely

Martin Hlland
Headteacher
Cardiff West Community High School
