Introduction

The staff and governors of Cardiff West Community High School promote strong community links and believe that outcomes are best for our children when the relationship between home and school is a positive one. The overwhelming majority of parents and carers visiting our school work with us. However, on occasion staff can be subject to verbal and physical abuse, at times witnessed by our children. All members of staff have the right to work without fear of abuse.

We will act to ensure that the Cardiff West Community High School remains a safe place for children, staff and all other members of our community and this includes responding to negative behaviour from parents, carers and other visitors to our school.

This policy outlines the behaviour we consider to be unacceptable and the procedures we will follow in the event of negative behaviour.

The Health and Safety Executive (HSE) defines work-related violence as:

any situation where a person is abused, threatened or assaulted in circumstances relating to their work.

Such circumstances include any work-related activity, whether on school premises or off site. Behaviours considered unacceptable at our school

The following list gives examples of behaviour that will not be tolerated in our school:

- Raising your voice at members of staff, either in person or on the telephone
- Aggressive or threatening phone calls
- Aggressive or threatening emails/class chart messages
- Abusive, libellous comments about staff on social media
- Physical intimidation. For example, standing very close to him/her
- Aggressive hand gestures, including pointing/shaking finger or fist towards another person
 - Swearing
 - Making threats
 - Recording staff (audio and/or visual)
 - Physical contact including pushing, slapping, etc.
 - Spitting
 - Discriminatory, offensive language
 - Breaching school security/safeguarding procedures.

Procedures for parents/carers who have a complaint

Staff and governors of Cardiff West Community High School will always seek to resolve parental concerns promptly through respectful discussion between parents/carers and the relevant member of staff.

Record keeping

Any incidents of abusive, threatening behaviour will be logged and kept on file by the Headteacher (see Appendix A).

If a parent/carer behaves inappropriately on school premises or via contact with staff (e.g. class charts or the telephone) they will receive a letter from the Headteacher notifying him/her of the incident log and the potential next steps should another incident occur (see Appendix B).

Responses to unacceptable behaviour from parents, carers and visitors

If a parent/carer/visitor behaves in an unacceptable way towards a member of staff, or other member of our school community, the Headteacher and/or members of the Senior Leadership Team will seek to resolve the situation through discussion and mediation. If this mediation does not resolve the concern or the behaviour is deemed serious (see list on page 2) the following steps may be taken:

Formal meeting

The parent/carer/visitor may be invited to a meeting including the Headteacher and/or Senior Leadership Team. The meeting will clarify what the school consider to be acceptable behaviour and begin a restorative process. This process may involve formulating a plan to manage any future situations of potential conflict. For example, the plan may include measures such as the parent not approaching the class teacher without a member of the senior leadership team being present or a putting a behaviour contract in place.

Withdrawing permission to enter the school site/buildings

The adult behaving inappropriately will be asked to leave the premises if their behaviour is threatening, aggressive and/or is being witnessed/heard by children.

Ban from the premises

If a parent, carer or visitor is banned from the premises because of inappropriate behaviour they will be notified in writing. The letter will state the reason and duration of the ban and will be issued by the Headteacher.

The ban will take immediate effect. The ban can last for up to 6 months or to be decided specifically by the Head Teacher and the period will be outlined in the letter.

Police assistance

If a parent, carer or visitor is asked to leave the premises and refuses the police will be called. The police will be called if an adult's behaviour is aggressive or violent on school premises. This may result in an anti-social behaviour order being issued by the police. The Headteacher may also notify our local community police officers even if there is no immediate threat.

Legal proceedings

If the abuse of a member of staff is deemed serious the chair of governors may may pursue legal proceedings. Individual staff members may take advice from their union representative and own legal support. Legal proceedings could result in restraining orders and/or prosecution (prosecution under Section 547 of the Education Act and Protection from Harassment Act 1997). If convicted under that section, you will be liable for a fine and have a criminal conviction recorded against you. Cyberbullying/harassment via social media could also result in legal proceedings under Malicious Communications Act 1988, Section 127 of the Communications Act 2003.

These steps may not necessarily be used in this order. The response will be that which is most appropriate considering the behaviour.
